Seclab: Active Challenge

Walkthrough: Submission

- See course website for **Submission Policy**
- Once graded, grade will appear in the Score tab. See course website for **Remark Policy**

The screenshot shows a submission interface with four tabs: 'Handout', 'Submit' (active), 'Submissions', and 'Score'. Under the 'Submit' tab, there is a section titled 'Required Files' which lists two files: 'caesar26.py' and 'flag.txt', each preceded by a red 'X' icon. Below this list is a dark grey 'Submit' button. To the right of the file list is a dashed rectangular box containing the text 'drag & drop or click to browse'. Two orange arrows point from external text boxes to the interface: one points to the 'Submit' button, and the other points to the dashed box.

Do not forget to
click 'Submit'

Add files via the broken
bordered section.
