

Course work, evaluation and grading

	Theory	Practice
	Lecture & Tutorials	Labs & Tutorials
Graded Work	Midterm and Final	CTF challenges
Grade weight	40%	60%

A mark of at **least 40% on the final exam is required** to pass the course

A fully in-person course

- All lectures, labs and tutorials will be held in-person. Lectures are recorded and may be made selectively accessible
- Some flexibility and failover to account for unforeseen contingency
- Complete course work in the Linux lab. The course resources will be verified to work in this environment
- ✓ Optionally use your own computer (*NIX distro). Limited course staff assistance
